

CREATE MY ALERTS

www.citrontechnology.com

1

Access the Citron Platform

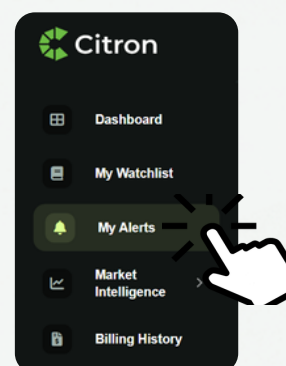

Enter to www.citrontechnology.com, and log in with your username and password.

2

Access to the Alerts

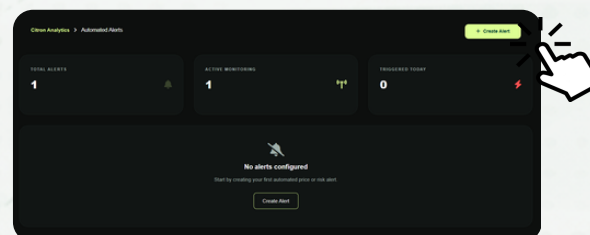

In the menu, click on the **My Alerts** option.

3

New Alerts registration

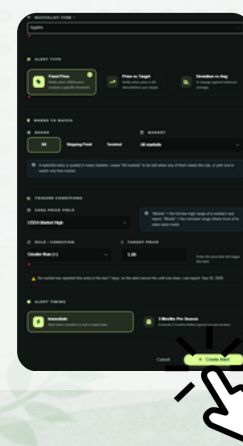

Select the **Create Alert** button to set up a new notification.

4

Alert customization

Select the watchlist item and configure the alert conditions. Then, click **Create Alert** to continue.

5

Logged alerts

Once the information is configured, the alerts created will be available for viewing.
